

OF YOUR CHARITY PRAY FOR THE SOUL OF THE LATE

JOSEPHINE DERAUX,

beloved wife of JOSEPH BUYDENS,

born at Lodelinsart, Belgium. December 17th, 1876,

deceased at Bruxelles, Manitoba, (Canada),

March 13th, 1943.

strengthened by the Holy Sacraments of the Church.

She was the soul of the family and went through life surrounded with the love of her own, with the confidence of those who approached her, always ready to put her mind and her heart at everyone's service.

Dear husband, beloved children, I am most thankful for all the loving attention you have continually shown me, particularly during my long and painful sickness... I have borne it in silence, with courage and resignation... I have seen death come without fear... Now I must leave you; do not weep as those who have no hope.

My affection for you shall never die; I shall always share in your joys and your difficulties; in the Home of our Heavenly Father I shall beseech Him to take care of you. Continue to live after the will of the Lord and one day we shall be reunited in everlasting blessedness... Farewell, my numerous friends! I shall never forget all that you have done to prolong my life... Continue to remember me in your prayers...

Receive, O Lord, into your fatherly arms the soul of our wife and mother that death has snatched away a'l too soon.

Most Sacred Heart of Jesus, I place my trust in Thee.

Sweet Heart of Mary, be my salvation. *(300 days ind.)*
